What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2023* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you do not join another plan by December 7, 2022, you will stay in ATRIO Prime Rx.

- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023**. This will end your enrollment with ATRIO Prime Rx.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

If you are eligible for “Extra Help,” you may be able to change plans during other times.

Section 2.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and have not received this insert by September 30th, please call Customer Service and ask for the “LIS Rider.”

There are four “drug payment stages.” The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

Important Message About What You Pay for Insulin (Part D) - You won’t pay more than \$35, while you are in the Coverage Gap, for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it’s on.

Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

The number of days in a one-month supply has changed from 2022 to 2023 as noted in the chart.</p> <p>For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the drugs on our Drug List. SECTION 3 Administrative Changes

Description	2022 (this year)	2023 (next year)
Plan ID number	H6743-021-004	H6743-023-003
Plan Name	ATRIO Prime Rx	ATRIO Prime Rx

Each Medicare Advantage plan has a plan ID number associated with it, which is provided by the Centers for Medicare and Medicaid Services. For 2023, ATRIO will consolidate many plans. This will result in a NEW plan ID for your plan. Due to this change, you will receive a new ID card for 2023. Please be on the look-out for your new ID card in the mail in December.

SECTION 4 Deciding Which Plan to Choose

Section 4.1 – If you want to stay in ATRIO Prime Rx

To stay in our plan, you do not need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our ATRIO Prime Rx.

Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan
- – *OR*– You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, or call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

As a reminder, ATRIO Health Plans offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from ATRIO Prime Rx.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from ATRIO Prime Rx.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
 - – *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage Plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Oregon, the SHIP is called Senior Health Insurance Benefits Assistance (SHIBA).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIBA counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIBA at 1-800-722-4134 (TTY 1-888-370-4307). You can learn more about SHIBA by visiting their website (shiba.oregon.gov).

You may qualify for help paying for prescription drugs. Below is a list of different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:

Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through CAREAssist. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call CAREAssist at 1-971-673-0144 (TTY 711).
